CONDITIONS OF SALES

EXCLUSION OF LIABILITY
The Company shall not be liable in respect of any claim, whether arising in contract or tort, for any injury, loss or damage caused to any person or property by or arising out of the use of any goods supplied by the Company.

DEFECTIVE GOODS
In the event of a customer giving notice in writing to the Company of a default in goods supplied by the Company within 8 days of the delivery of such goods to final destination, the Company undertakes to investigate the complaint and if satisfied that the complaint is justified (as to which the Company's decision shall be final) and that the defect is in goods manufactured by the Company, it will either rectify or replace the defective goods at its own expenses. Any goods which the customer claims to be defective must be returned to the Company at the expenses and risk of the customer.

PRICES AND QUOTATIONS
All price-lists and quotations are based on costs existing at the time they were issued and are subject to alteration without prior notice. All orders are accepted on the understanding that goods will be invoiced at the prices ruling on date of despatch, plus the amount of VAT chargeable, when applicable. In case of orders confirmed within the validity of quotations made by the Company, such quoted prices will prevail against the ruling ones, at the moment of despatch.

CANCELLATION
Orders placed cannot be cancelled without the Company's written consent. Goods returned without such consent will not be accepted for credit and will remain on the Company's permises at the customer's risk.

TIME LIMITS
Any time or date for delivery named by Company is an estimate only, and whilst the Company will make every endeavour to meet such delivery time or date, the company shall not in any event be liable for the consequences of any delay, no matter how arising.

RISK
Goods supplied shall be at the customer's risk from the time of delivery to the customer. Delivery to a carrier (whether or not engaged by the Company) shall be deemed to be delivery to the customer. Any goods returned to the Company with its consent shall remain at the customer's risk until delivered to the Company's premises.

RESERVATION OF OWNERSHIP
Equitable and beneficial ownership in the goods shall remain with the Company until all sums owing from the customer to the Company on any account whatsoever have been received by the Company and in the event that any of the goods supplied hereunder are resold by the customer before all sums owing have been paid as aforesaid, the Company shall be entitled to the proceeds of such resale or to the claim of the customer for such proceeds.

OVERDUE ACCOUNTS
The Company shall, if it wishes, be entitled to give notice in writing to the customer to charge interest on overdue accounts, the interest to run from the date on which that notice is given. The Company can exercise this right in addition to any other rights it may have in respect of the goods or non-payment.

PACKAGING AND CARRIAGE
Prices quoted do not include packaging costs and are ex works. Unless stated on quotation, extra charges shall be made for packaging and for supplying goods on any terms other than ex works.

FORCE MAJEURE
Notwithstanding any agreement to the contrary between the Company and the customer whether in relation to date of delivery or otherwise, the Company shall not be liable for any loss or damage suffered by the customer where such loss or damage arises in circumstances outside the reasonable control of the Company including (but not limited to) war, fire, flood, act of God, unavailability of raw material from norman sources, government restrictions and controls, strikes and lockouts.

LEGAL CONSTRUCTION
*These **Conditions of Sale** shall be governed by Italian Law and any dispute or differences in connection with these Conditions shall be submitted to the jurisdiction of the Italian Courts.*
The Company reserves the right to payment of all costs, charges and expenses incurred by it or its agents in the connection of monies due from the customer in addition to the price and interest thereon.

The placing of an order expresses acceptance of these terms and conditions.
Manufacturer's names and part numbers in this catalogue are used for cross reference purposes only and do not imply anything about the origin or manufacturer of product.

"Errevi Industrial" è la nuova linea con un valore aggiunto e con la qualità che da sempre contraddistingue Errevi. "Errevi Industrial" comprende articoli realizzati da aziende fornitrici del primo impianto e dei più conosciuti produttori di componentistica per veicoli industriali, nonché i prodotti assemblati da Errevi con componenti originali.
"Errevi Industrial" arriva nelle nuove confezioni nero e argento: un tocco in più di distinzione. E come sempre, un rapporto qualità/prezzo eccezionale.

"Errevi Industrial" is the new added value line offering the quality that has always distinguished Errevi. "Errevi Industrial" includes articles made by first equipment suppliers and the best known manufacturers of components for commercial vehicles, as well as products assembled by Errevi with original components. "Errevi Industrial" comes in new black and silver packaging: an extra touch of distinction. And as always, an exceptional price/quality ratio.

Il nostro gruppo è composto da aziende di produzione, lavorazione e distribuzione nel settore dei ricambi per veicoli industriali europei, in grado di garantire agli utilizzatori un prodotto finale altamente qualificato e conforme agli standard qualitativi europei. Errevi si impegna ogni giorno per assicurare ai propri clienti il massimo livello di qualità, in particolare per quanto attiene all'intercambiabilità, alla funzionalità e alla durata di tutti i suoi ricambi, indipendentemente da dove essi siano prodotti. Per questo Errevi ha creato un processo interno di certificazione della qualità: "Errevi Approved" è fondato su rigorose regole da soddisfare appieno affinché i prodotti possano fregiarsi di tale marchio di eccellenza.

Our company is a group of manufacturing, machining and distributing enterprises, quite able to grant a highly satisfactory product up to our final customer. Errevi pursues a daily commitment to ensuring its customers enjoy the highest level of quality, in particular as regards interchangeability, functionality and durability of all its spare parts, regardless of where they are produced. This is why Errevi has created "Errevi Approved", an internal process of quality certification based on strict rules that have to be fully satisfied for the products to claim this mark of excellence.

I particolari contrassegnati dalla dicitura NEW e/o dallo sfondo verde rappresentano i nuovi articoli inseriti su questo catalogo rispetto alla precedente edizione.
